MATERIAL SAFETY DATA SHEET This MSDS complies with OSHA'S Hazard Communication Standard 29 CFR 1910.1200 and OSHA Form 174

This MSDS complies with OSHA'S Hazard Communic					/4	
IDENTITY AND MANUF						
NFPA Rating: Health-2; Flammability-3; Reactivity-0; Special-0	HMIS Rating: Health-2; Flammability-3; Reactivity-0; Personal Protection-B					
Manufacturer's Name: AMREP, INC.	DOT Hazard Classification: ORM-D					
Address: 990 Industrial Park Drive	Identity (trade name as used on label):					
Marietta, GA 30062	MISTY HEAVY DUTY ADHESIVE SPRAY					
Date Prepared: 2/2/00 Prepared By: ES/KD/IB		S Number: 315		Revision- 9		
Information Calls: (770)422-2071 EMERGENCY RESPONSE NUMBER: 1(800)255-3924	N	IOTICE: JUDGEN	/IENT BA	SED ON IN	DIRECT TE	SIDAIA
SECTION 1 - MATERIAL IDEN			MATION			
SECTION 1 - MATERIAL IDER COMPONENTS-CHEMICAL NAMES AND COMMON NAMES		CAS Number	SARA	OSHA PEL	ACGIH	Carcinogen
(Hazardous Components 1% or greater; Carcinogens 0.1% or greater)		CAS Number	III LIST	(ppm)	TLV (ppm)	Ref. Source **
ACETONE		67-64-1	No	1000	750	d
HEXANE		110-54-3	Yes	500	50	d
ISOBUTANE / PROPANE BLEND		75-28-5	No	800	800	d
		74-98-6	No	1000	1000	d
SECTION 2 - PHYSICAL/C						
Boiling Point: N/A		fic Gravity (H2O=1)				
Vapor Pressure: PSIG @ 70°F (Aerosols): Max.80	Vapor Pressure (Non-Aerosols)(mm Hg and Temperature): N/A					
Vapor Density (Air = 1): N/E	Evaporation Rate (= 1): N/E					
Solubility in Water: Partial	Water	Reactive: No				
Appearance and Odor: Straw colored liquid with ketone solvent odor.						
SECTION 3 - FIRE AND						
	Auto Ignit	ion Temperature		ability Limits		
(aerosols) EXTREMELY FLAMMABLE FLASH POINT AND METHOD USED (non-aerosols): N/A	SPEC	N/E	% LEL		UEL %	
FLASH FOINT AND METHOD USED (HOH-aerosois). N/A		ater fog to cool conta				3 11 1 1 1 1
EXTINGUISHER MEDIA: Foam, dry chemical, carbon dioxide, water.		e shielding for perso			gaoxpioaling	containere.
Unusual Fire & Explosion Hazards: Do not expose aerosols to temperatures	s above 1	30°F or the containe	r may ruptu	ire.		
SECTION 4 - REAC			, ,			
STABILITY [X] STABLE [] UNSTABLE		RDOUS POLYMERI	ZATION [] WILL []	X] WILL NOT	OCCUR
Incompatibility (Mat. to avoid): Strong oxidizing agents.	Condi	tions to Avoid: Op	en flame, w	elding arcs, h	eat, sparks.	
Hazardous Decomposition Products: Carbon dioxide, carbon monoxide.						
SECTION 5 - HEA						
PRIMARY ROUTES OF ENTRY: [X] INHALATION [] INGE	STION	[X] SKIN ABSORP	FION []	EYE []NC	T HAZARDO	JS
ACUTE EFFECTS						
Inhalation: Excessive inhalation of vapors can cause nasal & respiratory irritation	ion, dizzir	ness, weakness, nau	sea, heada	che, possible	unconsciousr	ess or
asphyxiation.						
Eye Contact: Irritation.						
	Skin C	Contact: Irritation du	e to defattir	ng of skin.		
Ingestion: Possible chemical pneumonitis if aspirated into lungs.						
Ingestion: Possible chemical pneumonitis if aspirated into lungs. CHRONIC EFFECTS: (Effects due to excessive exposure to the raw materials of	of this mix	kture) Excessive inh	alation of h	exane may ca	use nerve dar	nage.
Ingestion: Possible chemical pneumonitis if aspirated into lungs. CHRONIC EFFECTS: (Effects due to excessive exposure to the raw materials of Medical Conditions Generally Aggravated by Exposure: May aggravate ex	of this mix isting eye	kture) Excessive inh , skin, or upper respi	alation of h	exane may ca	use nerve dar	nage.
Ingestion: Possible chemical pneumonitis if aspirated into lungs. CHRONIC EFFECTS: (Effects due to excessive exposure to the raw materials of Medical Conditions Generally Aggravated by Exposure: May aggravate ex EMERGENCY FIR	of this mix isting eye ST AID I	kture) Excessive inh , skin, or upper respi	alation of h	exane may ca	use nerve dar	nage.
Ingestion: Possible chemical pneumonitis if aspirated into lungs. CHRONIC EFFECTS: (Effects due to excessive exposure to the raw materials of Medical Conditions Generally Aggravated by Exposure: May aggravate ex EMERGENCY FIR Eye Contact: Flush with water for 15 minutes. If irritated, seek medical attention	of this mix isting eye ST AID I	kture) Excessive inh , skin, or upper respi	alation of h	exane may ca	use nerve dar	nage.
Ingestion: Possible chemical pneumonitis if aspirated into lungs. CHRONIC EFFECTS: (Effects due to excessive exposure to the raw materials of Medical Conditions Generally Aggravated by Exposure: May aggravate ex EMERGENCY FIR Eye Contact: Flush with water for 15 minutes. If irritated, seek medical attention. Skin Contact: Wash with soap and water. If irritated, seek medical attention.	of this mix isting eye ST AID I on.	kture) Excessive inh , skin, or upper respi	alation of h	exane may ca	use nerve dar	nage.
Ingestion: Possible chemical pneumonitis if aspirated into lungs. CHRONIC EFFECTS: (Effects due to excessive exposure to the raw materials of Medical Conditions Generally Aggravated by Exposure: May aggravate ex EMERGENCY FIR Eye Contact: Flush with water for 15 minutes. If irritated, seek medical attention. Skin Contact: Wash with soap and water. If irritated, seek medical attention. Inhalation: Remove to fresh air. Resuscitate if necessary. Get medical attention	of this mix isting eye ST AID I on.	kture) Excessive inh , skin, or upper respi PROCEDURES	alation of h ratory cond	exane may ca	use nerve dar	nage.
Ingestion: Possible chemical pneumonitis if aspirated into lungs. CHRONIC EFFECTS: (Effects due to excessive exposure to the raw materials of Medical Conditions Generally Aggravated by Exposure: May aggravate ex EMERGENCY FIR Eye Contact: Flush with water for 15 minutes. If irritated, seek medical attention. Skin Contact: Wash with soap and water. If irritated, seek medical attention. Inhalation: Remove to fresh air. Resuscitate if necessary. Get medical attention Ingestion: DO NOT INDUCE VOMITING. Drink two large glasses of water.	of this mix isting eye ST AID I on. ion. Get imme	kture) Excessive inh h, skin, or upper respi PROCEDURES idiate medical attenti	alation of h ratory cond	exane may ca	use nerve dar	nage.
Ingestion: Possible chemical pneumonitis if aspirated into lungs. CHRONIC EFFECTS: (Effects due to excessive exposure to the raw materials of Medical Conditions Generally Aggravated by Exposure: May aggravate ex EMERGENCY FIR Eye Contact: Flush with water for 15 minutes. If irritated, seek medical attention. Skin Contact: Wash with soap and water. If irritated, seek medical attention. Inhalation: Remove to fresh air. Resuscitate if necessary. Get medical attention Ingestion: DO NOT INDUCE VOMITING. Drink two large glasses of water. Of SECTION 6 - CONTROL A	of this mix isting eye ST AID I on. ion. Get imme	kture) Excessive inh h, skin, or upper respi PROCEDURES idiate medical attenti DTECTIVE MEAS	alation of h ratory cond on. JRES	exane may ca litions.		nage.
Ingestion: Possible chemical pneumonitis if aspirated into lungs. CHRONIC EFFECTS: (Effects due to excessive exposure to the raw materials of Medical Conditions Generally Aggravated by Exposure: May aggravate ex EMERGENCY FIRE Eye Contact: Flush with water for 15 minutes. If irritated, seek medical attention. Skin Contact: Wash with soap and water. If irritated, seek medical attention. Inhalation: Remove to fresh air. Resuscitate if necessary. Get medical attention Ingestion: DO NOT INDUCE VOMITING. Drink two large glasses of water. O SECTION 6 - CONTROL A Respiratory Protection (specify type): If vapor concentration exceeds TLV, u	of this mix isting eye ST AID I on. ion. Get imme ND PRC use respir	kture) Excessive inh s, skin, or upper respi PROCEDURES idiate medical attenti DTECTIVE MEAS ator approved by NIG	alation of h ratory cond on. JRES DSH in pos	exane may ca litions.		nage.
Ingestion: Possible chemical pneumonitis if aspirated into lungs. CHRONIC EFFECTS: (Effects due to excessive exposure to the raw materials of Medical Conditions Generally Aggravated by Exposure: May aggravate ex EMERGENCY FIR Eye Contact: Flush with water for 15 minutes. If irritated, seek medical attention. Skin Contact: Wash with soap and water. If irritated, seek medical attention. Inhalation: Remove to fresh air. Resuscitate if necessary. Get medical attention Ingestion: DO NOT INDUCE VOMITING. Drink two large glasses of water. O SECTION 6 - CONTROL A Respiratory Protection (specify type): If vapor concentration exceeds TLV, of Protective Gloves: Neoprene.	of this mix isting eye ST AID I on. ion. Get imme ND PRC use respir Eye Pi	kture) Excessive inh , skin, or upper respi PROCEDURES diate medical attenti DTECTIVE MEAS rator approved by Nil rotection: Safety gl	alation of h ratory cond on. JRES DSH in pos	exane may ca litions.		nage.
Ingestion: Possible chemical pneumonitis if aspirated into lungs. CHRONIC EFFECTS: (Effects due to excessive exposure to the raw materials of Medical Conditions Generally Aggravated by Exposure: May aggravate ex EMERGENCY FIR Eye Contact: Flush with water for 15 minutes. If irritated, seek medical attention. Skin Contact: Wash with soap and water. If irritated, seek medical attention. Inhalation: Remove to fresh air. Resuscitate if necessary. Get medical attention Ingestion: DO NOT INDUCE VOMITING. Drink two large glasses of water. O SECTION 6 - CONTROL A Respiratory Protection (specify type): If vapor concentration exceeds TLV, of Protective Gloves: Neoprene. Ventilation Requirements: Adequate ventilation to keep vapor concentration	of this mix isting eye ST AID I on. ion. Get imme ND PRC use respir Eye Pi	kture) Excessive inh , skin, or upper respi PROCEDURES diate medical attenti DTECTIVE MEAS rator approved by Nil rotection: Safety gl	alation of h ratory cond on. JRES DSH in pos	exane may ca litions.		nage.
Ingestion: Possible chemical pneumonitis if aspirated into lungs. CHRONIC EFFECTS: (Effects due to excessive exposure to the raw materials of Medical Conditions Generally Aggravated by Exposure: May aggravate ex EMERGENCY FIR: Eye Contact: Flush with water for 15 minutes. If irritated, seek medical attention. Inhalation: Remove to fresh air. Resuscitate if necessary. Get medical attention. Inhalation: DO NOT INDUCE VOMITING. Drink two large glasses of water. Of SECTION 6 - CONTROL A Respiratory Protection (specify type): If vapor concentration exceeds TLV, of Protective Gloves: Neoprene.
